Summary

Strategic Procurement and Strategic Sourcing Professional with 7+ years of experience leading end-to-end sourcing strategies, category management, supplier relationship management, RFx processes, contract negotiations, and procurement projects across global manufacturing environments. Proven success developing sourcing strategies, conducting market analysis, leading supplier performance programs, negotiating commercial agreements, and delivering measurable cost savings while ensuring procurement compliance and operational excellence. Skilled in procurement analytics, Power BI, SQL, ERP systems, stakeholder engagement, cross-functional leadership, and continuous improvement initiatives.

Skills

Strategic Procurement: Strategic Sourcing, Category Management, RFx Management, Tendering, Competitive Bidding, Supplier Selection, Procurement Planning
Supplier & Contract Management: Supplier Relationship Management, Supplier Performance Reviews, Vendor Development, Supplier Risk Assessment, Contract Negotiation, Commercial Agreements, SLA Management
Procurement Operations: Purchase Order Management, Spend Analysis, Procurement Compliance, Procurement Governance, Procurement Reporting, Cost Optimization, Lead Time Reduction, Inventory Planning
Analytics & Reporting: Power BI, Tableau, SQL, Excel, KPI Dashboards, Spend Analytics, Procurement Metrics, Forecasting
ERP & Systems: SAP, Dynamics 365, Business Central, ERP Reporting, Data Validation, Data Extraction
Leadership & Project Delivery: Cross-functional Leadership, Stakeholder Management, Procurement Projects, Continuous Improvement, Process Optimization, Team Training, Vendor Escalation, Change Management

Work Experience

Procurement Buyer
Decibel Cannabis Company

Dec 2025 - Present

- Led end-to-end strategic sourcing projects by developing category sourcing strategies, evaluating suppliers, conducting competitive sourcing activities, negotiating commercial agreements, and implementing supplier onboarding plans that improved supply continuity and generated measurable cost savings.
- Identified inefficiencies in procurement cycles by analyzing vendor performance data, leading to a 20% reduction in lead times through targeted supplier optimization strategies
- Standardized supplier evaluation criteria, procurement reporting, and sourcing documentation to improve procurement governance, reporting consistency, and audit readiness across multiple business units.
- Developed category-specific procurement strategies using demand forecasts, supplier capacity analysis, and spend trends to improve purchasing decisions, reduce excess inventory by 18%, and strengthen supplier partnerships.
- Developed supplier performance scorecards and Power BI dashboards tracking spend, delivery performance, supplier lead times, and procurement KPIs to support strategic sourcing decisions and continuous improvement initiatives.
- Collaborated with finance, operations, quality, and production stakeholders to prioritize procurement initiatives, align sourcing strategies with business objectives, and improve cross-functional decision-making.
- Analyzed procurement transactions to identify spend anomalies and supplier pricing inconsistencies, improving financial controls and reducing investigation time by 50%.
- Standardized procurement reporting processes and supplier master data governance across multiple systems, improving reporting consistency and supporting audit readiness.

Purchaser in Global Procurement
Vestas Wind Systems

Nov 2021 - Aug 2023

- Reduced procurement costs by 15% by implementing data-driven supplier evaluation models, conducting cost analysis, and negotiating strategic vendor agreements across global supply chains.
- Trained 50+ procurement staff on data visualization tools and best practices, enhancing cross-functional collaboration and reducing data request backlogs by 60%
- Led cross-functional sourcing initiatives with engineering, operations, finance, and manufacturing teams to develop category strategies, execute procurement projects, and deliver cost-effective sourcing solutions across global supply chains.
- Developed procurement KPIs, spend analytics, and supplier scorecards using Power BI and Excel, enabling leadership to make data-driven sourcing and vendor management decisions.
- Mitigated supply chain risks by developing alternate sourcing strategies, evaluating supplier capabilities, and proactively addressing lead-time constraints, shortages, and supplier performance issues impacting production timelines.
- Negotiated supplier contracts and commercial agreements while balancing cost, quality, delivery, and risk considerations to strengthen supplier relationships and improve procurement performance.
- Managed sourcing activities for electrical controls, converters, cables, and industrial equipment, overseeing purchase orders, supplier coordination, and logistics execution across projects.
- Conducted supplier performance reviews, market assessments, and supplier capability evaluations to identify sourcing opportunities, reduce procurement risk, and improve long-term supplier performance.
- Negotiated supplier agreements and optimized commercial terms with primary and secondary vendors, strengthening supply continuity and improving procurement scalability across global sourcing operations.
- Evaluated supplier capabilities, pricing structures, and market trends to identify sourcing opportunities, strengthen category strategies, and improve procurement efficiency.

Consultant ECM Purchaser in Global Procurement,Vestas
ManpowerGroup Services

Jan 2021 - Nov 2021

- Coordinated supplier logistics, shipment tracking, and transportation issue resolution while proactively addressing delayed, lost, and damaged shipments to maintain operational continuity.
- Reduced procurement costs by 10% through process optimization initiatives focused on purchasing workflows, supplier management, and sourcing efficiency.
- Managed multiple sourcing projects simultaneously while ensuring compliance with procurement procedures, contractual requirements, and organizational purchasing standards.
- Partnered with project managers to support budgeting, bid evaluations, and supplier selection processes, ensuring cost-effective procurement aligned with operational goals.
- Led RFx and competitive sourcing initiatives with global suppliers, achieving an 8% reduction in procurement costs through strategic negotiations and supplier benchmarking.
- Managed global sourcing activities with cost-effective suppliers, maintaining 100% on-time delivery performance and adherence to quality standards.
- Collaborated with vendors, engineering teams, and project stakeholders to align procurement activities with technical specifications and project timelines.
- Standardized procurement templates, governance processes, and operational tools, improving compliance and accelerating cross-functional execution by 20%.
- Supported procurement process improvement initiatives by standardizing sourcing documentation, RFx workflows, and supplier evaluation criteria, reducing cycle times and improving procurement governance.

Procurement Engineer(Intern) - Global Sourcing
Valeo India

Jan 2019 - Jan 2021

- Led end-to-end RFx processes including supplier prequalification, tender evaluations, commercial negotiations, supplier selection, and contract recommendations that delivered 10–15% procurement savings.
- Expanded and diversified the supplier base through vendor onboarding, localization initiatives, and dual-sourcing strategies, improving supply continuity and reducing sourcing risks by 20%.
- Performed zero-based costing and detailed pricing analysis using advanced Excel tools, enabling data-driven negotiations that achieved 15% procurement savings.
- Conducted multiple supplier auction events that achieved average savings of 15% while strengthening supplier competitiveness and commercial transparency.
- Conducted supplier performance reviews, risk assessments, and quarterly business reviews to improve delivery performance, quality, responsiveness, and long-term supplier relationships.
- Conducted market benchmarking and pricing analysis for procurement categories, identifying pricing outliers and supporting standardized sourcing strategies.
- Performed supplier risk assessments, pricing evaluations, and commercial benchmarking to support sourcing decisions, strengthen supplier reliability, and improve procurement risk management.

Projects

Strategic Category Sourcing Initiative
Developed a data-driven sourcing strategy using market analysis and cost benchmarking to identify cost-saving opportunities, achieving 10–15% cost reductions across global supply chains while ensuring alignment with organizational goals.
(Strategic Sourcing, Market Analysis, Cost Benchmarking, Supply Chain)

Supplier Cost Optimization
Analyzed supplier costs and payment terms to identify significant savings through standardized procurement strategies and competitive sourcing, ensuring favorable terms and organizational cost-efficiency.
(Cost Optimization, Procurement, Negotiation, Supplier Relationship Management)

Procurement Process Improvement Initiative
Led procurement process improvements by standardizing RFx documentation, supplier evaluation criteria, and procurement reporting workflows to improve sourcing efficiency and governance.
(RFx, Supplier Optimization, Supplier Selection, Process Improvement)

Supplier Performance & Governance Program
Designed supplier scorecards and procurement dashboards that monitored delivery, quality, spend, and lead-time KPIs, supporting supplier development initiatives and strategic sourcing decisions.
(Supplier Tracking, Vendor Management, KPIs, Process Optimization)

Education

Post Grad Diploma in Data Analytics for Business
St. Clair College, Canada

GPA: 4.0 / 4.0
Sep 2023 - Apr 2025

Bachelor of Mechanical Engineering
St. Joseph's Institute of Technology, India

GPA: 3.7 / 4.0
Jun 2014 - Jun 2018
